# CANINE TRAINING REPORT

**SCHOOLS:** The following officers completed the second detection school.

Mario Checchi Bellows Falls Police Department, Davis Roos Vermont State Police, Edward Hunter Rutland County Sheriff's Department and Dale Kerber Fairhaven Police Department.

May will be another busy month with patrol re-certifications going on. There are 42 teams in the program right now. Each team must attend the three days and pass to remain certified as a patrol team.

June 08 thru 12 will be an urban hard surface tracking school, three teams have signed up for this so far.

June 22 thru the 26 will be a wilderness tracking school. One team has signed up for this so far.

July 20 thru November 06 is the patrol school. It looks like there will be at least five teams for this school.

Respectfully submitted

Robert Ryan

Canine Training Coordinator
