

Field Training Officer's Final Recommendation of Trainee Level III

Trainee: _____ Agency: _____

FTO: _____ Agency: _____

Field Training and Evaluation Program: Date began: _____

Date ended: _____

I hereby certify, under the pains and penalties of perjury, that the above named provisional officer trainee has participated in a Field Training and Evaluation Program (FTEP) which minimally meets the 120 hour requirements prescribed by the Vermont Criminal Justice Training Council.

I have attached the Daily Observation Reports (DORs) for each shift the trainee worked during their FTEP and attest that the DORs are a fair evaluation of the trainee's performance while under observation. Further, I have also attached the trainee's Officer's Standard Task Checklist form which documents that the trainee has received instruction on, demonstration of, and/or performed without assistance all the listed tasks.

_____ The trainee *has* satisfactorily completed the FTEP. Based upon my interaction with the trainee, I recommend that the VCJTC issue a Level III law enforcement certification to the trainee.

_____ The trainee *has not* satisfactorily completed the FTEP. Based upon my interaction with the trainee, I recommend that the VCJTC not issue a non-provisional Level III law enforcement certification to the trainee.

My reasons for this negative recommendation are as follows (attach additional page(s) as necessary to adequately document justification for your recommendation):
