## **Conducted Electrical Weapon Reporting Form**

To be completed by any Vermont Law Enforcement Officer after the display or deployment of a Conducted Electrical Weapon (CEW)

SECTION ONE: Display and/or Deployment Information				
Case Number:	18B0009947	Location of Incident:	188 Main Street Burlighn	
Date of Incident:	5/13/18	Time of Incident: 0/32		
CEW Model:	×2	CEW Serial Number:	X29004F4A	
	☐ CEW displayed			
Use of CEW:	Probes fired	Location where probes hit subject:	Left side midde durese	
Check all that apply	Drive stun mode	No. of cycles:	I w/ probes il w/dry st	
	Z Dive stail mode	Location where was CEW held against subject's body:	dry sten Lover back	
Was a recording device running at the time of the		he incident? XYes  No		
If yes, was it a ☒ Body Cam    Dashboard Cam     other (describe):				
Was the subject: K Human OR Animal (if animal, STOP here and submit form)				
Was subject charged with a crime? ☑ Yes ☐ No				
If yes, what charge(s): Amest on a warment				
SECTION TWO: Incident Information				
			e time of display or deployment:	
	approximate guess):		American Indian or Alaska Native	
<u>Januaro</u>	(1)	ck or African-American	Hispanic or Latino	
A Refore deployme	nt did you have recent to		Unknown	
4. Before deployment, did you have reason to believe the subject was a member of a special population? If yes, check all that apply. (If none apply, go to Question 6)				
Pregnant		☐ Traumatic Brain Injury		
Elderly (Over the age of 65)		☐ Emotional crisis to the extent subject		
Child (Under the age of 18)		may have had difficulty understanding		
Low body-mass index (Body type is Thin)		requests or orders		
☐ Disability		Epilepsy/seizure disorder		
Mental health condition		☐ Heart condition		
Developmental/intellectual disability		☐ Deaf/hard of hearing☐ Low vision/blind		
F 11				
population? Chec	n information leading to yok all that apply:	our belief that the subject v	vas a member of a special	
☐ Subject notified officer ☐ Civilian witness				
☐ Professional witness ☐ Dispatch				
Personal percep	tion of the subject			
6. To the best of your	knowledge, was the pers	on under the influence of a	lcohol or other drugs at the time of	
the incident? Yes \ No \ Unknown Later stated he was under influence				
7. Were mental health or developmental disabilities professionals contacted for assistance with the subject?				
☑ No (If no, go to Section Three)				
Yes				

If yes, when?  ☐ Prior to the display or deployment ☐ During the display or deployment ☐ After the display or deployment ☐ Mass the outcome of that attempt to centact mental health care or developmental disability professionals? Check all that apply: ☐ Professional assisted to resolve situation more promptly or with less coercion than without contact; ☐ Professional did not result in any positive or helpful impact on the situation; ☐ Professional provided limited positive or helpful impact on the situation; ☐ Professional helped action the time officers had to be at the scene; ☐ Professional helped action the time officers had to be at the scene; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emergency department; ☐ Professional helped avoid involuntary placement in detention or emer	If yes, contacted by:   Officer or   Someone Else (list whom):				
During the display or deployment  After the display or deployment  Other comments:  8. What was the outcome of that attempt to centact mental health care or developmental disability professionals? Check all that apply:  Professional assisted to resolve situation more promptly or with less coercion than without contact;  Professional assisted to resolve situation more promptly or with less coercion than without contact;  Professional provided limited postitive or helpful impact on the situation;  Contact was attempted but no one could be reached;  Professional helped peduce the time officers had to be at the scene;  Professional helped avoid involuntary placement in detention or emergency department;  Professional helped avoid involuntary placement in detention or emergency department;  Professional helped avoid eappropriate follow-up and service provision;  Intervention was ineffective.  SECTION THREE: ADDITIONAL INFORMATION  Decision to use CEW was based on:  Active resistance of subject, with injuries to others or subject likely to occur;  Active resistance of subject, officer, or others at scene.  What was the subject's response to the use of the CEW?  Subject was compliant directly after use of CEW, requiring additional force;  CEW falled; subject had to be handled through other means. State reason for failure if known:  Was any other force used in addition to the CEW? Check all that apply:  NOC   Firearm   Physical force   Baton   Other (describe):  Was this additional use of force before or after use of the CEW?   Before   After  Was medical assistance provided to the subject following the use of the CEW?   Yes   No   If yes, by whom?   Officer   CEMS personnel   Other emergency or health care professionals  Check any box below relating to noteworthy details not already described:    Incident occurred on an elevated location such as a roof, stairs, or bridge;   Subject was near or in water at time of incident;   Subject was more than 25 feet away when CEW probe shot;   Was the training "Interacting with
